LEARNED A LOT ABOUT THE RIGHT DIET

I will often come to Kampung Senang to learn a lot of lifestyles, diet, juicing and so on. So from there, my cancer goes down. Up to now, doctor said my cancer is cured(sic)! So I am very appreciative and very thankful.

COMPLEMENTARY THERAPIES TO MANAGE CHRONIC CONDITIONS

I recommend people looking to manage chronic conditions to become a member of Kampung Senang and take advantage of the resources and complementary therapies in Kampung Senang. I am grateful to Kampung Senang for granting me the Compassion Support Scheme. The scheme subsidises the cost of therapies and courses.
